

*Attorney Docket No. 65856-0068***PATENT****REMARKS**

By this Second Preliminary Amendment, claims 1 – 27 have been canceled to better conform to U.S. practice and new claims 28 – 64 are added. By action taken here, Applicant in no way intends to surrender any range of equivalents beyond that needed to patentably distinguish the claimed invention as a whole over the prior art. Applicant expressly reserves all such equivalents that may fall in the range between Applicant's literal claim recitations and combinations taught or suggested by the prior art.

Prior to a formal examination of the above-identified application, acceptance of the new claims is respectfully requested.

It is believed that any additional fees due with respect to this paper are identified in the accompanying transmittal. However, if any additional fees are required in connection with the filing of this paper, permission is given to charge account number 18-0013 in the name of Rader, Fishman & Grauer PLLC.

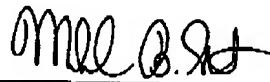

Respectfully submitted,
